We are the most read digital Black and alternative digital newspaper in Ohio, our website and blog together, and per Alexa.com. We can help you reach a segment of Black readers and consumers and others not normally accessible to mainstream media venues on the web, and we have a cross section of readers across racial, gender and socioeconomic lines. Our many online articles, more than 5,000 of them at our newspaper website and blog, include a one-on-one interview with former president Barack Obama when he was campaigning in the state of Ohio for president and with Kama Harris, now the nation's vice president

Advertising is placed at (www.clevelandurbannews.com) and on our blog (The Kathy Wray Coleman Online News Blog.Com, the second most read digital Black newspaper in Ohio, also per Alexa.Com rankings. (www.kathywraycolemanonlinenewsblog.com)

. Additionally, we will do an email blast to our many email recipients and will promote your ad or ads on Twitter and Facebook, where we have over 4,900 friends.

Standard ads are 350 by 350 on (www.clevelandurbannews.com) and 600 by 300,
